liquidator towards the amounts transferred to the Fund, whether insured by DICGC or not, the Fund shall reimburse the liquidator.

Explanation: In the case of a bank under liquidation, the depositor has to approach the Liquidator of the bank for claim and the Liquidator shall settle the claim as per the following procedure:

(1) **Scenario 1: Claim on Deposits Covered by DICGC** - If the deposits of a customer / depositor were covered by DICGC insurance at the time of transfer to the DEA Fund, then the Liquidator can claim an amount equivalent to what could have been claimed from DICGC, and then make payment to the depositor. If the above deposit amount is more than the insurance cover of DICGC, then the Liquidator shall claim the amount in excess of DICGC insurance cover only on reimbursement basis i.e., the Liquidator shall pay such amount to the depositor subject to meeting all the applicable requirements and thereafter submit a claim to DEA Fund for reimbursement.

(i) **Illustration 1 (DICGC Insurance Cover is up to ₹5 lakh):** A customer / depositor had a deposit claim of ₹4 lakh in a bank (including accrued interest), which is now under liquidation. The deposit was insured by DICGC at the time when the said unclaimed deposit was transferred to the Fund. Now, if the customer / depositor claims the same during the liquidation process, the following steps shall be followed:

(a) The customer / depositor / legal heir submits a claim for their deposit to the liquidator.

(b) Liquidator raises an equivalent claim of ₹4 lakh from the Fund along with necessary supporting documents

(c) The Fund will pay an amount equal to the insured deposit to the Liquidator. (In this case, i.e., ₹4 lakh since DICGC insurance cover is available up to ₹5 lakh)

(d) The Liquidator, after receiving the amount from the Fund, will pay to the customer / depositor i.e., ₹4 lakh.

(ii) **Illustration 2 (DICGC Insurance Cover is up to ₹5 lakh):** A customer / depositor had a deposit claim of ₹6 lakh in a bank (including accrued interest), which is now under liquidation. The deposit was insured by DICGC at the time when the unclaimed deposit of the customer / depositor was transferred to the Fund. Now, if the customer / depositor claims the same during the liquidation process, the following steps shall be followed:

(a) The customer / depositor / legal heir submits a claim for their deposit to the liquidator.

(b) Liquidator raises an equivalent claim of ₹6 lakh from the Fund along with necessary supporting documents.

(c) The Fund shall pay an amount equal to the insured deposit to the Liquidator. (In this case, i.e., ₹5 lakh, since DICGC insurance cover is available up to ₹5 lakh)

(d) For the remaining amount (i.e., ₹1 lakh) the Liquidator shall make the payment to depositor subject to meeting all the applicable requirements and then claim for the same from the Fund by way of reimbursement.

(2) **Scenario 2: Claim on Deposits not Covered by DICGC** - In respect of deposits not covered by DICGC at the time of transfer to Fund, the payment to the Liquidator by the Fund shall be made only on reimbursement basis (i.e., the Liquidator can only seek as a reimbursement after settling the amount to the customer / depositor) as mentioned in Illustration 2 above.

39. The banks are advised to organize camps and launch intensive campaigns, including special camps, focusing on periodic updation of KYC, especially in rural and semi-urban branches and branches having large pendency in periodic updation of KYC. The banks may also facilitate the process of activation of such accounts by taking an empathetic view as indicated in Circular DoS.CO.PPG.SEC.12/11.01.005/2024-25 dated December 2, 2024.

Chapter V – Regulatory Compliance and Legal Matters

A. Implementation of Instructions Issued by RBI

40. A bank shall take steps to circulate RBI circulars among its branches without delay, using the fastest means available to avoid time lags, and ensure speedy implementation of the instructions at the field level.

B. Legal Compliance

41. A bank shall issue suitable instructions to all its offices / branches to ensure attendance in courts on the date of hearing wherever they are involved.

42. A bank shall also ensure that there is no delay in preferring appeals or filing affidavits so as to avoid rejection of such applications, financial losses to the bank, and adverse impact on public interest.

43. To obviate the need for production of volumes of original records of the bank as evidence in legal proceedings before the Court or any other Competent Forum and also avoid administrative and procedural inconvenience caused in the event of such records remaining in the custody of the Court till completion of such proceedings, a bank may, in consultation with its Legal Adviser / Counsel, adopt the procedure as laid down under Section 4, read with the provision of Section 2(8), of the Bankers' Books Evidence Act, 1891.

44. A bank shall ensure that, notwithstanding the provisions of the Banking Companies (Period of Preservation of Records) Rules, 1985, original records / documents which are the subject matter of legal proceedings are preserved at the bank's end till the final disposal of the proceedings.

C. Court Directives

45. A bank shall ensure that no money transaction of the company(ies), declared as 'defaulted companies' by the Hon'ble Patna High Court vide its order dated April 10, 2007, be permitted. This list containing the defaulted companies (numbering 918) declared by the Hon'ble Patna High Court are enclosed in Annex X.

46. A bank shall not cite or quote from the RBI circular dated April 06, 2018 as it was set aside by the Hon'ble Supreme Court on March 04, 2020 in the matter of Writ Petition (Civil) No.528 of 2018 (Internet and Mobile Association of India v. Reserve Bank of India) and is, therefore, not valid from the date of the Supreme Court judgement.

Explanation: A bank shall, however, continue to carry out customer due diligence processes in line with regulations governing standards for Know Your Customer (KYC), Anti-Money Laundering (AML), Combating of Financing of Terrorism (CFT) and obligations of regulated entities under Prevention of Money Laundering Act,

(PMLA), 2002 in addition to ensuring compliance with relevant provisions under Foreign Exchange Management Act (FEMA) for overseas remittances.

D. Inter-Governmental Agreement (IGA) with United States of America (US) under Foreign Accounts Tax Compliance Act (FATCA) - Registration Requirements

47. A bank, if not already registered with US authorities as per the Government of India's Inter-Governmental Agreement (IGA) with US to implement Foreign Accounts Tax Compliance Act (FATCA), shall register itself and obtain a Global Intermediary Identification Number (GIIN).

48. Further, a bank having overseas branches in jurisdictions covered under different FATCA frameworks is required to take appropriate registration actions as under:

    (1) A bank having overseas branches in Model 1 jurisdictions, including those jurisdictions where an agreement under Model 1 has been reached in substance, and is yet to register with US authorities, shall register itself and obtain a GIIN.

    (2) A bank having overseas branches in a jurisdiction having IGA 2 agreement or in a jurisdiction that does not have an IGA but permits financial institutions to register and agree to an FFI agreement, may register with US authorities and obtain a GIIN, if not already registered, to avoid potential withholding under FATCA.

    (3) A bank having overseas branches in a jurisdiction that does not have an IGA and does not permit financial institutions to register and agree to an FFI agreement may not register and their overseas branches would eventually be subject to withholding under FATCA.

    Provided that, if registration of a parent bank / head office is a pre-requisite for a branch to register, such a bank may register itself.

Chapter VI – Financial Conduct and Prohibited Activities

A. Donations or Contributions for Public / Charitable Purposes

49. As specified in paragraph 7(1), the Board of a bank shall formulate a policy for allowing donations, including the purpose for which such donations may be made, keeping in view the following instructions:

(1) A bank may make donations during a financial year aggregating up to one per cent of the published profit of the bank for the previous year.

Provided that,

(i) donations to Prime Minister's National Relief Fund (PMNRF), subscriptions / contributions to professional bodies or institutions related to banking industry like Indian Banks' Association, National Institute of Bank Management, Indian Institute of Banking and Finance, Institute of Banking Personnel Selection, and Foreign Exchange Dealers' Association of India shall be excluded from the applicable ceiling indicated above; and

(ii) unutilised portion of the permissible limit of one per cent shall not be carried forward to the next year;

Provided further that, a loss-making bank may make donations totalling ₹5 lakh only in a financial year including donations to exempted entities / funds indicated in subparagraph (i) above.

(2) In case a bank creates funds for specific purposes to encourage research and development in fields related to banking,

(i) its Board shall determine the amount of contribution to be made to such funds. However, such contribution shall be reckoned for computation of the one per cent ceiling mentioned at 49(1)(i) above; and

(ii) the donations out of such research and development funds may be made for setting up professional chairs, granting fellowships or scholarships for studies and research at universities and approved institutions and for commissioning special projects for investigation,

analysis and research for areas pertaining to banking, finance, statistics, management and economics, etc.

50. A bank shall submit an annual review of donations to its Board.

51. A bank shall follow the below-mentioned procedure for remitting contributions or donations to the PMNRF:

(1) Each collecting branch of the bank shall send the collection to the bank's nodal branch in New Delhi each day along with the details of the donor cheque / draft number, address and amount of contribution, and the nodal branch will in turn remit the funds to any of the designated branches identified by the Prime Minister's Office (PMO) for maintaining PMNRF account. The list of such designated branches is available at https://pmnrf.gov.in/en/faqs/pmnrf.

Provided that, if a bank does not have any branch in New Delhi, it may collect the donations and remit through a single DD / EFT to any of the designated branches along with details of the donor, cheque / draft number, address and amount of contribution.

(2) Online remittance of donations may be accepted by the bank if it offers such services. However, this shall be displayed prominently on the bank's website.

(3) All these services shall be provided free of charge.

(4) Contribution to the PMNRF has been notified for 100 per cent deduction from taxable income under Section 80(G) of the Income-tax Act.

(5) The official receipts will be issued to the donor by the PMO as per the current practice.

(6) To facilitate smooth transmission of funds to the PMNRF Account, RBI has nominated 'Regional Director, Reserve Bank of India, New Delhi' as the Coordinating Officer who will be available for any clarification.

B. Prohibition on Acceptance of Deposits at the Instance of Private Financiers / Unincorporated Bodies

52. A bank shall not accept deposits at the instance of private financiers / unincorporated bodies under any arrangement which provides for either the issue of deposit receipts favouring the clients of private financiers or the giving of authority by power of attorney, nomination or otherwise for such clients to receive such deposits at maturity.

Explanation:

(i) Issuance of a Cash Certificate / Fixed Deposit Receipt by a bank under instructions from a person other than the depositor themselves (or their duly constituted attorney) is not only contrary to normal banking practice but also against the spirit of RBI directives on interest rates on deposits which presuppose acceptance of deposits by a bank directly from the depositors by complying with normal requirements such as application from the depositor, furnishing of specimen signature, etc.

(ii) Section 45ZB of the Banking Regulation Act, 1949 precludes banks from recognising any claim of any person, other than the one in whose name the deposit is held to the deposit amount except pursuant to any direction of a court of competent jurisdiction.

(iii) Chapter IIIC of the Reserve Bank of India Act, 1934 imposes restrictions on unincorporated bodies in relation to acceptance of public deposits. Accordingly, association of a bank with the deposit acceptance activities of unincorporated bodies may lead to violation of statutory provisions.

C. Prohibition on Association with Prize Chit Schemes and Sale of Lottery Tickets

53. Pursuant to the Prize Chits and Money Circulation Schemes (Banning) Act, 1978 which bans the promotion and conduct of prize-chit schemes and also provides for deterrent penalties for those who are guilty of breach of the provisions thereof, a bank shall desist from participating or associating in such prize-chit schemes floated by any of the non-banking financial institutions in any form.

Explanation: While mere opening of accounts in the name of prize chit firms / companies and issue of cash certificates / deposit receipts in favour of the members

of such firms / companies by a bank may not be construed as violative of any specific provision of law; the aforesaid types of activities and transactions by banks would come within the term "associate" as used above and a bank shall, therefore, desist from such type of association.

54. Accordingly, a bank shall:

    (1) make enquiries with a company / firm desirous of opening such accounts, that it is not carrying on the activities banned by the Prize Chits and Money Circulation Schemes (Banning) Act, 1978; and

    (2) not open accounts or issue cash certificates / deposit receipts in respect of prize chit companies or firms / their members when the activities / schemes of the company are falling within the purview of the said Act.

55. A bank shall not associate itself directly or indirectly with lottery schemes of organisations of any description.

    Explanation: Lottery falls within the expression "prize chit" under the Prize Chits and Money Circulation Schemes (Banning) Act, 1978 referred to in paragraph 53 above. Further, sale of lottery tickets on bank counters could be open to abuse and avoidable complaints from members of public.

56. A bank shall issue necessary instructions with respect to Directions contained in paragraph 52 to paragraph 55 to its branches for compliance.

Chapter VII – Taxation and Accounting Related Matters

A. Demand for Information by Income Tax Authorities

57. In view of the provisions of Section 133A of the Income-Tax Act, 1961 and past experience regarding the exercise of inspection powers by Income Tax Authorities, the Government had conveyed, vide its letter No.8(42)73/Accts. dated December 5, 1975 addressed to public sector banks, clarification from Central Board of Direct Taxes that blanket inspections of bank records not linked to any specific assessment are not envisaged under the said provision. Accordingly, if a bank is of the view that a particular Income Tax Officer is exceeding their jurisdiction, the matter may be brought to the notice of the concerned Commissioner of Income-tax. However, it may be noted that Government had conveyed, vide its letter dated June 14, 1977, that under Section 133(6) of the Income Tax Act, Income Tax Officer can call for information regarding call deposits and fixed deposits of ₹50,000 or above, after duly recording his reasons for making the requisition.

Chapter VIII – Human Resource and Capacity Building

A. Training and Awareness

58. A bank shall design need-based training programmes, seminars, or workshops to acquaint their directors with emerging developments and challenges facing the banking sector. It shall also promote awareness among its senior management regarding security, risk and controls in computerised environment. Further, the Board of a bank shall ensure that its directors are exposed to the latest managerial techniques, technological developments in banks, financial markets, risk management systems etc., to discharge their duties to the best of their abilities.

Provided that, this requirement shall not be insisted upon for foreign banks.

B. Certifications

59. A bank shall identify specialised areas for certification of the staff manning key responsibilities. (1) treasury operations – dealers, mid-office operations;

(2) risk management – credit risk, market risk, operational risk, enterprise-wide risk, information security, liquidity risk;

(3) accounting – preparation of financial results, audit function;

(4) credit management – credit appraisal, rating, monitoring, credit administration; and

(5) marketing of third-party retail products and wealth management to address the issues of mis-selling and to minimise customer complaints.

Provided that,

(i) if an employee has already acquired relevant graduate, diploma and certificate courses offered by reputed universities, the same may also be considered as an accreditation/ certification; and

(ii) in case of work area mentioned at (5) above, where other financial sector regulators have prescribed any certifications, these shall be complied with.

60. [5]A bank shall identify from the list of courses / certifications recognised by IBA as meeting certification requirements for different work areas mentioned above, those that are suitable for its operations and put in place a policy referred to in paragraph 7(2) above, mandating obtainment of such certifications by its employees working in the respective areas.

[5] Substituted w.e.f. October 1, 2026, consequent to Reserve Bank of India (Commercial Banks - Governance) Amendment Directions, 2026 dated July 14, 2026.

Chapter IX – Operational and Administrative Matters

A. Mandatory Leaves and Staff Rotation

61. [6]A bank shall, as per the policy referred to in paragraph 7(3) above, prepare a list of sensitive positions to be covered under 'mandatory leave' requirements and the list shall be reviewed periodically.

62. As per the mandatory leave policy, the employees posted in sensitive positions or areas of operation shall be compulsorily sent on leave for a few days (not less than 10 working days) in a single spell every year, without giving any prior intimation to these employees, thereby maintaining an element of surprise.

63. A bank shall ensure that employees, while on mandatory leave, do not have access to any physical or virtual resources related to their work responsibilities, except internal / corporate email which is usually available to all employees for general purposes.

63A. A bank shall put in place ‘staff rotation’ policy.

63B. A bank shall require its internal auditors and concurrent auditors to examine the implementation of policies for ‘staff rotation’ and ‘mandatory leave’ and point out instances of breaches irrespective of apparent justifications for non-compliance, if any.

Provided that the decisions taken / transactions effected by officers and staff not rotated / availing leave as per policy shall also be subjected to comprehensive examination by the internal auditors and concurrent auditors, and the finding thereon should be documented.

63C. A bank shall also refer to Reserve Bank of India (Commercial Banks – Miscellaneous) Supervisory Directions, 2026.

[6] Substituted w.e.f. October 1, 2026, consequent to Reserve Bank of India (Commercial Banks - Governance) Amendment Directions, 2026 dated July 14, 2026.

B. Engagement of Expatriates by Foreign Banks

65. A bank shall obtain from its officer staff (whether on probation, temporary / confirmed) statements similar to those obtained by Indian banks in the public sector under Regulation 20 of Officer Employees' (Conduct) Regulations, as amended from time to time.

Chapter X – Repeal Provisions

A. Repeal and Saving

66. With the issue of these Directions, the existing Directions, instructions, and guidelines relating to areas covered in these Directions as applicable to commercial banks stand repealed, as communicated vide circular DOR.RRC.REC.302/33-01-010/2025-26 dated November 28, 2025. 67. Notwithstanding such repeal, any action taken or purported to have been taken, or initiated under the repealed Directions, instructions, or guidelines shall continue to be governed by the provisions thereof. Directions, the RBI may, if it considers necessary, issue necessary clarifications in respect of any matter covered herein and the interpretation of any provision of these Directions given by the RBI shall be final and binding.
